

# Cashback Rewards Program Terms & Conditions

*Updated May 31, 2024*

The Sequence Cashback Rewards program (“Program”) is subject to these terms and conditions which may be amended at any time. The Program allows each eligible participant the opportunity to earn cashback rewards (“Rewards”) to be credited to the participant’s Sequence deposit account with Thread Bank. Rewards are automatically earned based on use of the participant’s Sequence Visa® Debit Card to make purchases. Sequence reserves the right to make the final determination of what constitutes an eligible purchase.

Sequence reserves the right to amend, cancel, change, discontinue, or suspend the Program, in whole or in part, including changing the value, at any time at our discretion with or without notice to participants. Rewards earned prior to any of the foregoing actions will be provided to eligible participants. Cashback Rewards do not expire, but the participant’s Sequence Account must be open and in good standing in order to receive Reward payments. If the Sequence Account is closed by the participant or us, the participant forfeits Reward payments that have not been earned and posted to the participant’s Sequence Account. If the participant’s Sequence account has been investigated and deemed in breach of intended or legal uses, the participant forfeits all possible and accrued Reward payments.

Cashback Rewards are exclusively available for users under the Pro and Business plans and eligible purchases earn 1% Cashback Rewards.

The formula to calculate appropriate cashback rewards earnings is as follows:

$(\text{Total purchase transaction amount}) - (\text{Total purchase transactions return amount}) \times (1\%) = (\text{cashback amount awarded})$

Purchases made through third-party payment accounts will not be eligible if the technology does not provide sufficient transaction details for rewards qualification. If you are given a refund for a purchase, this will be deducted from the value used to calculate your monthly cashback reward.

The value of earned Sequence Cashback Rewards will display on the account screen of the participant and will be paid directly to the participant’s designated Rewards account. Payment of the past month’s cumulative Cashback Rewards - from the settlement date of the first day of the month until the last day of the month - will be made to participant accounts at the beginning of the following month.

Sequence Fintech Inc. is a financial technology company and is not a bank. Banking services are provided by Thread Bank; Member FDIC. The Sequence Visa® Business Debit Card is issued by Thread Bank. pursuant to a license from Visa U.S.A. Inc. and may be used everywhere Visa debit cards are accepted.
